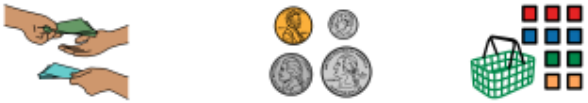
Learning Objectives:

To exchange coins for items .



To exchange exact coins for items .

Key Words:

money

coin

shop

penny

£

pound

+

add

Blue activity:

Role play shop:

You will need:

- Coins
- Objects to buy e.g. fruit or cans
- Shopping bag
- table

Activity:

1. Set up a table as a shop including items to buy and a shopping bag.
2. Give your child a shopping list (suggested symbol examples attached on the next slide) and ask them to go to the 'shop' to buy the items
3. Ask for them to pay for the items by handing over coins they have in their pocket; replicating what it is like in a real shop
4. Hand over a 'receipt' to them and wave them good bye.

Shopping list samples:

Shopping:

banana

milk

bread

baked beans

Shopping:

tomato soup

apple

carrot

cheese

Shopping:

bread

tea bag

sugar

milk

Green activity:

Role play shop:

You will need:

- Coins
- Objects to buy e.g. fruit or cans
- Shopping bag
- Table
- Price tags

Activity:

1. Set up a table as a shop including items to buy and a shopping bag.
2. Attached the price tags (inserted on the next page) to the different items
3. Give your child a shopping list (suggested symbol examples attached on the next slide) and ask them to go to the 'shop' to buy the items
4. Ask for them to pay for the items by handing over the specific coins that match the price tag
5. Hand over a 'receipt' to them and wave them good bye.
