

COVID Guidance – Visitors to School

In order to ensure we are doing our very best to keep our whole community safe visitors to school are limited and permitted by appointment only.

We ask that you do not attend school if you have any symptoms, have tested positive for COVID 19 or have been in close contact with someone who has a confirmed case.

Our reception is limited to a maximum of 2 people at any one time to ensure social distancing measures are in place.

If you have a pre-arranged appointment in school, we ask that;

- You sanitise your hands on arrival, using the dispenser in reception
- You sign in on the display screen and wipe it down after use, wipes are available in reception
- You maintain social distance from others during your visit
- You wear a face covering when on corridors or in circulation areas e.g. reception

We ask that you respect and support all of the measures in place in order to stay safe and keep others safe
