Last week we looked at traditional African masks  
and designed our own mask.

# Week 1 - 15/6/20

We are going to create our own mask using items and materials around your house.

This week you will need to:

- 1) Collect different items/materials to use.
- 2) Draw your mask design onto a piece of cardboard.

# Week 1 - 15/6/20

You can use any arts and crafts materials that you have at home.

Use the checklist on the next page as a guide (you don't need to have everything on there).

You can get an adult to help you.

# Week 1 - 15/6/20

- 3) Once you have collected your items/materials put them aside. You will need to use them for next week's lesson.
  - 4) On your piece of cardboard copy your mask design from last week.
- (You can use plain paper or card if you don't have cardboard at home).

## Week 2 - 22/6/20

Last week we copied our design onto cardboard and collected items/materials for our masks.

This week you are going to decorate your mask with the items/materials you have chosen.
