Curriculum Information- during COVID 19 school closure

Dear Parents and Carers,

We hope that you are all well and Staying Safe at Home. We understand that home teaching can be difficult and that you also have other commitments. Don't worry. Do what you can and just 'Do Your Best'.

To support you and your child with home learning you will have been receiving some work packs through the post and there are resources on our school website. Please be patient with the delivery of the work packs as due to the current Covid 19 situation post is taking longer than normal to arrive.

We will support you in working with your child at home by:

- Providing a social story on Covid 19/Corona Virus to share with your child. This was sent home with all pupils and is also available on our website.
- Sending a suggested timetable- please use and adapt this to suit your home circumstances
- Sending out work packs every 2 weeks
- Uploading lessons to our school website each day following this timetable:

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Arts and Crafts	Maths	English	Science/DT/Life Skills (KS5)	PE

- We will also be adding PHSC/RSE resources for parents and lessons for pupils each Friday. These can be found in the Parent/carer area under the tab 'PHSC/RSE'.
- For families who are unclear what lessons to look at on the website follow the class your child is allocated
 - Key Stage 3- Classes: Flinders, Fiennes, Armstrong, Hillary
 - Key Stage 4- Classes: Bonnington, Vancouver, Hudson
 - ASD- Classes: Ross, Tenzing, Baker, Macarthur
 - Experiential Learning- Classes Scott and Henson
 - Key Stage 5- Classes Bell, Shipton, Nightingale, Johnson, Peake

We have sent guidance about how to access the website but if you have any difficulties please contact us at school by either telephoning on the main school number during the school day or emailing to:
