Dear Peter,

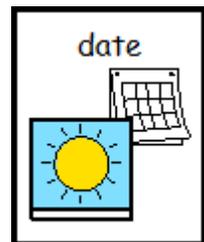

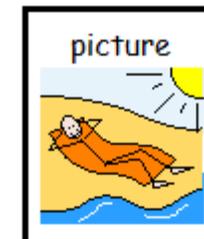

I am having a fantastic time! I have had ski lessons and I am now able to ski. I have been snowboarding, sledging and fishing. The weather is freezing cold but the bright, white snow is so deep. I also built a big snowman. After a hard day on the slopes in the cold mountains I go back to the hotel, the hotel is okay but the food here is really greasy. I can relax at the hotel and there is a roaring log fire and hot chocolate which is nice.
