

Sensory Art with Shaving Foam and Food Colouring

SENSORY ART INGREDIENTS

- **Shaving foam**
- **Food colouring**
- **Lolly sticks**
- **Table / surface**
- **Bucket of water / towel for cleaning**

**1. Cover table / surface
with shaving foam**

**2. Sprinkle drops of food
colouring on top of
Shaving foam**

3. Use lolly sticks to mix the colours around

4. Scrape and doodle away! Use your hands if you like to get messy!

Tips.

When the foam becomes 1 colour, simply add foam over the top and add some food colouring drops and go again!
