Practice reading and 'writing'
each number...

Follow the shape of the number
with your finger in the air...

Red activity:

Practice reading and 'writing'
each number...

Follow the shape of the number
with your finger in the air...

Follow up activity:

Download the number cards or dice on the school website and head outside for your number search activity!

First, write the number you roll on the dice onto the floor with chalk.

Then roll the dice again and wash away the numbers you land on!
