EL1

Learning Objectives: To identify people around us and their relationship to us

Success Criteria: Able to name at least 3 people and identify their relationship towards me.

In our lives we have lots of people around us who all have different relationships. We need each person to help us with daily tasks and to make sure we are safe and happy. In different places you will have different relationships with people. EG, in school you have teachers and/or friends and at home you may have Mum or Dad or Brother or Carer.
