

Class Endeavour

This term as part of our personal and social development lesson we visited Sea Life at The Trafford Centre. The pupils were very excited to see all the amazing and colourful sea creatures. They even got to stroke a starfish before buying themselves a souvenir from the gift shop. We then enjoyed eating our McDonalds in the food hall!

This term in our Enterprise lesson we have been learning to work together as a team to design and make games for the 6th form Christmas fun day.

We have also been getting very creative in our manufacturing lessons. We have been making beautiful ceramic candy canes which will be for sale on our Etsy page!

In Maths we have been learning about money, We have been looking how to create different amounts using coins and notes.

This has really helped us during our weekly shopping trip to Tesco.
