

Class Helvellyn

Maths

In Maths, this term we have been learning about shape. We have been learning the names of shapes and have been exploring properties of both 2 and 3 D shapes. We have used shapes to make patterns and we have been learning about how to calculate the perimeter of 2D shapes.

English

This term in English, we have been looking at instructional writing. We looked at how to build a shelter if you were stranded on a desert island. We experimented with a range of materials, building mini shelters. We then wrote a set of step by step instructions.

DT

Our topic in DT this term has been Story Surprise, we have been exploring pop up books and have been creating our own pop up version of Julia Donaldson's Room on the Broom. We have been practicing our cutting and folding skills and have been using levers and springs to make things within our books move.
