	Intervention work by a TA4- Reading, Mathematics, Language and communication group work, nurture work for targeted groups of pupils.	Our evidence shows that in the last 3 years that pupils who have fallen behind in primary school (mainstream) in core subjects particularly in the area of reading and reading comprehension benefit from individual or small group intervention for a block of 6-8 weeks.. Research shows and we have found that certain pupils benefit from lego therapy.	Monitoring of progress – base line and impact at the end  Termly review of interventions  Report in annual pupil premium report	G.F./ D.L.	Summer 2021
<b>Total budgeted cost</b>					£24,000
