# School Response

Thank you to you all for your feedback. It is a positive response from you all. I am sorry that there are a couple of pupils that say they don't like school. I can see that you all say how much you enjoy being outside and spending time with your friends. As we hopefully, recover for COVID 19 and move toward a more settled period we will reintroduce lunch clubs and more time outside during the school day.

I am really pleased that most of you feel that pupils behave well. We will continue to support all students in managing their behaviour and feeling safe in school.

We know some of you haven't felt safe in the school canteen since COVID19. We will continue to have less pupils eating in the canteen so you feel safe and some of the time eating in class

I'm sure we all look forward to a good 2021/22 at North Ridge
