

# Class Ben Nevis

Ben Nevis have been so happy to be back in school and see their friends this term!

This term, we have had extra lessons on personal hygiene to keep ourselves and others safe at school. We have practiced thorough handwashing; ensuring we clean each part of our hands with soap.

In art, we have been learning about a photography artist called David Gilliver. We have created our own backgrounds and took exciting photos using food and miniature figures!

In maths, we have enjoyed our wet in our capacity lessons! We have been ordering, measuring and pouring our own volumes.
