

Class Everest

This term we have welcomed back Class Everest into school! They have all settled in really well and have enjoyed learning about their new topics.

During the recent lockdown, our students have been accessing their school work remotely using Seesaw. There has been a fantastic effort from our students to complete their work.

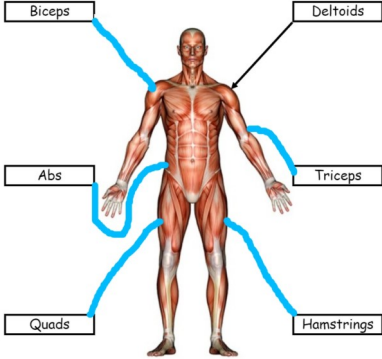

Name Emmanuel Date 8/2/2021

LO: I can identify acids and the dangers of them

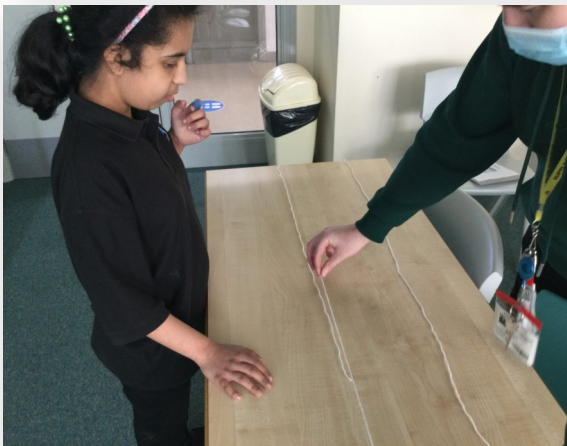

Sort the acids and items which are not acids into the correct column. Use the symbols to help.

 acids	 not acids
vinegar	pillow
paint thinner	paper
stomach acid	apple
battery acid	orange
lemon	cup
ant bite	soap
sulphric acid	coke

Section 2: Draw a line from the muscle to where it is on the body. I have done the first one for you

Use the table in the PowerPoint to help you answer the questions

This term in maths we have been learning about fractions. We have been doing a variety of practical activities with everyday items to help us understand how to divide objects into equal parts.
