

Dear Parent/Guardian

Invitation to our Online Safety Parent Workshop

North Ridge High School is totally committed to the digital safety and wellbeing of our students. As part of this we are running a workshop dedicated to helping parents understand the risks their children face in their online lives and the practical things parents can do to help.

Please join us for this hour long workshop in which Katherine Howard, Head of Community and Wellbeing at Smoothwall will provide you with lots of valuable insights and tools. Including:

- Information on the latest apps and games your child may have access to.
- The harmful content your child may be exposed to.
- How you can help your child to safely navigate online risk.
- How to access our brand new and FREE Online Safety Hub with dedicated guidance for parents.
- An introduction to a parental app that allows you to control what your child sees online, if they are at risk, plus other important features.

Primary Workshop Date: Monday 12th June Time: 6.00-7.00pm

To join this special workshop please find below the link for the session:

For most pupils at NRHS the primary workshop will be the most appropriate. However if your child is competent in accessing online content you may want to join the Secondary workshop.

You are welcome to join both.

If you are unsure which session you should attend please speak to your child's class teacher.

We hope to see you there.

Yours sincerely

Gill Foord
