A red arrow points from the instruction text to the "TEXT CODE" input field.

How to complete activities

1. Click **activities** to be able to see the work set by your teacher.
2. Click **Add Response** to open the work.

The screenshot displays the Seesaw app interface. At the top, the browser address bar shows the URL: `app.seesaw.me/#/activities/class/class.1d688c03-b2e7-48c1-b9f1-5d48fa285c09/display/pending`. The main header identifies the user as Rachel Galbraith, a Student in 1 Class, with a red notification badge showing '2'. The page title is 'Activities'. On the right, a blue sidebar menu is visible with the NRHS logo and the text 'SLT Class Student'. The menu includes 'Journal', 'Activities' (highlighted with a red arrow and a '4' badge), and 'Inbox'. Below the menu are 'To Do' and 'Done' sections. The main content area shows two activity cards. The first card, 'Mike's Postcard', includes a '1/2' indicator, a 'Learning Objective' section, a postcard image, and instructions: '1. Click Add response', '2. Read the Postcard. Click Q if you need to zoom in.', '3. Click T to type your answers to the questions.', and '4. Click to send your work.' Below the instructions is a 'Waiting for Response' status and a green 'Add Response' button. The second card, 'Can you draw something that goes in the sky?', features a drawing of a sky with clouds and instructions: '1. Tap the add button.', '2. Tap the pen. Draw a new picture using this line.', and '3. Tap the check to add to your journal.' It also shows a 'Waiting for Response' status and a green 'Add Response' button. A red arrow points from the 'Add Response' button in the first activity card to the 'Activities' menu item in the sidebar.

3. Click **view instructions** to read or hear the instructions set by your teacher.

4. Use the **tools** to complete your work as instructed by your teacher:

Text tool: Type on to your work

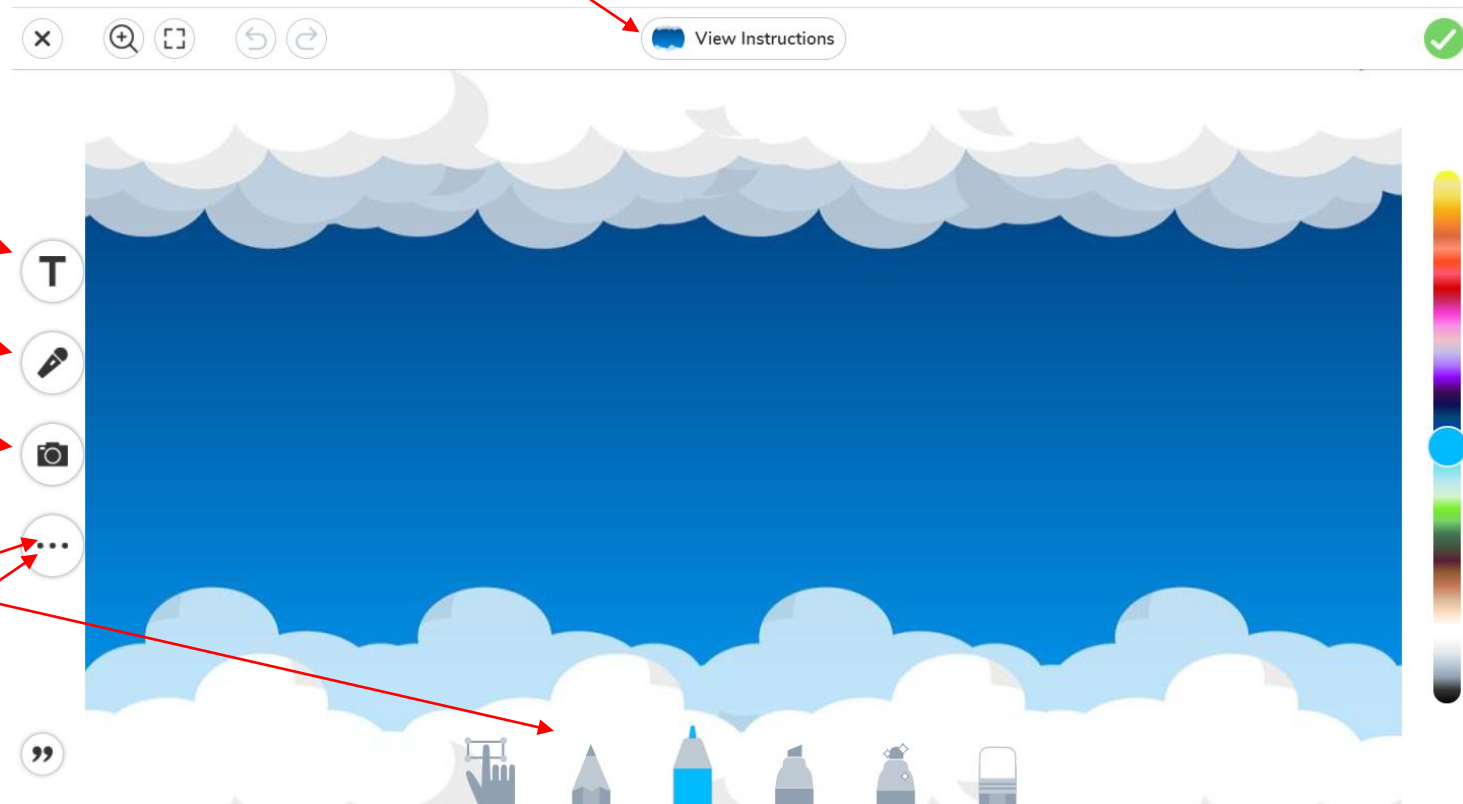

Microphone tool: Make a voice recording

Photo tool: Take a photo

Drawing tools: Use the pens to draw directly onto your work and rubber to erase.

Shape tool: add shapes to your work

Link tool: add a web link to your work

5. When your work is complete click the green tick to send it to your teacher.
