

DIFFERENT FAMILY STRUCTURES

RSE Summer 2

What is my family like?

All of us are different.

We have different families.

2

Some of us live with our parents. We might have two parents. We might have one

2

parent. We might live between two different places.

Some of us might live with someone else - like a sister or brother.

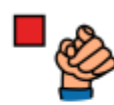

Some of us might not live with our families and live with other young people.

What does your family look like?

Can you draw a picture, write a short paragraph or use photos to describe your family
