Support for Parents and Carers

This section has information on support services.

Our Service

Talbot House is a support centre for parents and unpaid carers of children and adults who have severe learning/physical disabilities who live in Manchester. We have supported parents and carers for over 43 years and during that time we have helped thousands of families and changed the lives of many for the better. Today this “one stop shop” continues to meet the growing need for advice, information, advocacy, and most important emotional and social support.

We are here to improve the quality of life for parent carers of people with learning disabilities.
