lives in Manchester, with you

Manchester Special Needs Nursing Service

Powered by:

Who we are

- Team of 11 Nurses and 5 Nursing Assistants
- Support children and young people aged 3years-19years with complex needs
- We support children, young people and their families in the community and in specialist school settings in the Manchester area
- We work alongside the multi-agency team to deliver high quality holistic care to all our families
- We run parent support/ work shops to provide ongoing group support to parents and carers.

Where we support

- All Specialist Schools within the Manchester area.
- Patient homes
- Clinics
- Hospitals

Who we liaise with

- Parents/ Carers
- Children and Young people
- Specialist support schools
- MDT – community and hospitals
- Children's and adult social care
- Adult learning disability team
- Charities
