

# CLASS RAINIER

This term in Class Rainier we have been learning all about money. We have enjoyed exploring the difference between coins and objects and loved playing shop.

Some students have also been developing their understanding of the value of coins.

In P.E we have been playing lots of target games. We have been developing our throwing skills and trying to get our throws on target. We enjoyed playing Kurling and throwing into the hula hoops!

In theme this term we have been learning all about SPACE!

We have done lots of fun activities like packing a space bag, eating space food and we have even created the surface of the moon.
