RSE

C.Flanagan

In this unit, pupils will develop an understanding and awareness of the changes that their bodies have and will go through, to correctly name and identify all areas of the body, develop an awareness of a variety of different relationships and family structures. Pupils will also learn about appropriate and inappropriate relationships, behaviours and touch and will learn about the NSPCC PANTS rule. It will help pupils to strengthen their understanding and equip themselves with the skills needed to regulate their own behaviours, feelings and emotions. It will also enable pupils to safeguard themselves and equip them with appropriate vocabulary to express their thoughts, feelings and experiences.

RRS Articles: This unit of work is linked **Articles 16, 19 and 34** of the UN Convention on the Rights of the Child. The pupils need to be taught about their right and the right of all children to an education and to have healthy lifestyle during this unit.
