

KS3 English -Novels & Stories from World War Two - Goodnight Mr Tom

In this unit pupils will experience and explore texts related to World War 2. They will develop an understanding of the difference between fiction and non fiction. They will revisit the genre narrative - story telling, character, setting and plot. They will learn how a character develops in a longer story and become familiar with key parts of the story.

Students will use this knowledge to develop appropriate skills to identify descriptive language and dialogue in their reading, watching and listening and produce texts that describe and entertain.

Reasoning - Children will predict and anticipate events based on the actions of key characters and settings using the language of cause and effect.

Evaluation - Children will express their own views and preferences against agreed criteria to evaluate their own work and the work of others.

Empathy - Writing, reading and listening to stories will help children to understand what others might be thinking or feeling in a particular situation.

Social skills - When working collaboratively, children will listen to and respect other people's ideas. They will undertake a variety of roles in group contexts.

Communication - Children will develop their ability to discuss as they work collaboratively in paired, group and whole-class contexts. They will communicate outcomes orally, in writing and through ICT when appropriate.

Unit Learning Objectives:

Students should use **speaking and listening skills** to discuss the key events and characters; and to use role play / hot seating to explore key events and characters

Students should use **reading skills** to identify features that writers use to provoke readers' reactions (language and structure, e.g. descriptive language, plot); to identify use of dialogue and speech marks; to engage in detailed character /setting studies; and to sequence narratives in which events are logical.

Students should use **writing skills** to create and shape their own texts, to write texts linked to a book, to organise information following a narrative structure; and to develop understanding of spelling, punctuation and grammar.
