#### KS4 English -Information texts related to style and fashion

Subject	Students will use speaking and listening, reading and listening skills in every lesson.								
curriculum	Students will identify and use features that writers use to engage and interest the reader (language, structure and form e.g. emotive language, capital								
intent:	letters and exclamation and question marks). They will sequence texts in which events are logical								
	Students will create and shape their own texts, write texts linked to a book, and organise information.  Students will develop understanding of spelling, punctuation and grammar.								
	Students will develop understanding of spelling, punctuation and grammar.								
Intent for this topic:	Students will revisit and build upon skills and knowledge developed in studying information texts related to hobbies in the Autumn term. In this unit pupils will develop their knowledge and skills to write information texts. They will develop an understanding of the difference between fiction and non fiction texts. They will look at information texts on fashion and style and learn to write a script for a Vlog about fashion/style. one on subjects that they learn about this term. Students will use this knowledge to develop appropriate skills to identify descriptive and persuasive language in their reading, watching and listening and produce texts that inform and engage the reader.  Key Features of Text Type								
	Audience	Someone interested in the topic / who enjoys information.							
	Purpose	To inform reader about the topic in an engaging and interesting way							
	Structure	Opening/Intro; chunks of info in logical order poss incl. subheadings, images etc; paragraphs with topic sentence headings; ending incl							
	0.1. 20.2.	wow fact.							
	Language	Generalisers eg most, many, some, a few, the majority; sentence signposts e.g. furthermore, also, additionally; subj specific / technical							
	Features	vocabulary; third person and generally present tense; formal; detail and description.							
	Suggested Tex	ts:							
	https://www.fashionrevolution.org/about/get-involved/educator/education/resources/ https://vdocument.in/fashion-history-1400s-2000s-guess-the-fashion-era-clip-1-clip-2.html								
Key	Vocabulary revi								
vocabulary	Non -fiction, information, introduction, conclusion, hook, additionally, furthermore, also, moreover, however, on the other hand, sequence, verb, adverb,								
taught	adjective, simile								
within this	Generalisers - most, many, all, a few, the vast majority, usually, occasionally								
topic:	Adverbs - amazingly, intriguingly, surprisingly, interestingly Comparisons - is similar to, unlike, identical to, related to, in the same way								
	Topic specific vocabulary:								
	· · ·	clothing, footwear, accessory, pattern, colour, size, length waist, label, brand, manufacture, life cycle, material, cotton, polyester, leather,							
	manmade fibres	, sustainability, recycle, re-use, vintage							
Links to	Cross curricular	links:							
other	ICT - Researchin	g information topics, drafting, editing and presenting written work, writing blogs, recording vlogs							
subjects:	Music - creating jingles etc for Vlogs								
Januaria	Mathematics - data handling survey of people's style preferences etc								
	Drama - Role play and hot seating activities								
	RRS Articles: This unit of work is linked to Articles 14 of the UN Convention on the Rights of the Child.								
		dom of thought, belief and religion) Every child has the right to think and believe what they choose and also to practise their religion, as							
		not stopping other people from enjoying their rights. Governments must respect the rights and responsibilities of parents to guide their							
	child as they gro	w up.							

Term: Summer 2023

Wks	Stage of Talk for Writing Approach	Aim	Main activity
Wks 1-5	Immersion & imitation	Students learn and internalise model text. Students identify transferable ideas and structures	Cold Task / Have a Go Task on a familiar subject  Use an interesting stimulus/ starting point related to style and fashion with minimal teaching and students to write a script/ make a Vlog about it.  Immersion - explore a range of Vlogs and information texts Watch a vlog about upcycling clothes, such as How to dip-dye ombre shirts, How to tie-dye t-shirts or T-shirt weaving  Tuning into the subject - identify technical language and definitions - matching games  Signposts & generalisers - join two sort sentences with different conjunctions, add on extra facts using additionally, moreover, furthermore etc, select the correct generaliser the majority, most, some etc  Power of 3 - use 3 phrases or words to describe.  Role play - interview an expert on chosen subject  Introduce model information text- story map and learn text.  Box up model text, sequence the text -  -Intro /what it is - hook in the reader - power of 3  -Sequence information what is the style item, why is it popular, why is it better than other items etc- link info together, language of comparison, language of description  -Conclusion/important or amazing fact    Idea   Pagenting   Tagenting   Tagentin
Wks 6-9	Innovation	Students use ideas and structures Students co-construct new versions of original text with support	Use Narrative Therapy & Colourful Semantics to learn model text  Students identify and arrange key features of an information text  Students explore structure of an information text  Use word bank and structure of original text  Use mind map to generate and record different ideas.  Box up text - Intro /what it is, where it is, where it is found, what it is best known for, Conclusion/important or amazing fact  Students begin to create new characters, settings and events  Use Narrative Therapy & Colourful Semantics to revise model text  Play alternative word games eg good - amazing, brilliant, quality, smart, delightful etc  Shared writing to improve text  Use Narrative Therapy & Colourful Semantics to innovate model text
Wks 10-12	Invention / Independent application	Students create original texts as independently as possible	Students use structure of an information text Use word bank and structure of original text Use mind map to generate and record different ideas. Students plan, review, edit and revise their writing Box up text - Intro /what it is, where it is, where it is found, what it is best known for, Conclusion/important or amazing fact Students to plan information, present it logically and box it up Students to hook the reader with interesting fact Students to use topic sentences with headers to guide reader, linking information Students use generalisers and language of comparison. Students vary sentence length for emphasis. Students use technical language and descriptive language Use Narrative Therapy & Colourful Semantics to create new text Hot Task / Show us what you have learnt - An independent task on a similar type of writing Use Narrative Therapy & Colourful Semantics to plan new text

	B2 P 5-6	B2 P 7-8	B2 Step 1	B2 Step 2	B2 Step 3		
Key Learning Theme: Information Texts Related to Style and Fashion							
Speaking and Listening  Subject specific knowledge  How to communicate ideas effectively.  How to respond to others appropriately.	Students know key ideas and concepts used to communicate information.  Students know the key element in questions about an information text e.g.  'What is the text about?'  Students know how to respond to requests and instructions containing at least two key words, signs or symbols.  Students know how to initiate and maintain short and simple conversations about a subject.  Students know how to take turns and to listen to others in conversations and in role play.  Students know how to repeat, copy and imitate between 10 and 50 single words.  Students know at least 50 words, including the names of familiar objects.	Students know up to four key words, signs or symbols to communicate key information.  Students know that events and experiences happen in the present, past and future.  Students know how important it is to take turns, listen to /watch others and how to speak/ act in role play with confidence.  Students know conjunctions that communicate cause to link ideas e.g. because & so.  Students know how to form regular plurals.	Students know the key vocabulary to share information about a specific subject.  Students know how to gain, maintain and monitor the interest of the listener when retelling a story.  Students know how to add detail to extend their ideas.	Students know a range of descriptive words that can be used to add detail and interest.  Students know familiar phrases from an information text and complete the last phrase of a. key sentence.  Students know how to identify the main elements of an information text.  Students know that information texts have different sections.  Students know how to use an expanding vocabulary.	Students know how to identify the main themes of information texts.  Students know some of the differences between written and spoken English and are beginning to be aware when Standard English or more colloquial English is used.  Students know that they can use more colloquial language in dialogue.  Students know there are different dialects and accents.		
Speaking and Listening  Subject specific skills  How to communicate ideas effectively.	Students are able to respond appropriately to questions about familiar or immediate events or experiences.  Students are able to combine two key ideas and concepts. They are able to	Students are able to initiate and maintain short conversations.  Students are able to use phrases with up to three key words, signs or symbols to communicate.	Students are able to use talk to organise, sequence and clarify thinking, ideas, feelings and events.  Students are able to extend their vocabulary, exploring the meanings and sounds of	Students are able to explain ideas and processes using imaginative, technical and adventurous vocabulary and non-verbal gestures to support communication.  Students are able to listen	Students are able to explain a process or sequence of events, ensuring that items are clearly sequenced, relevant details are included and accounts are ended effectively.		
How to respond to others appropriately.	combine single words, signs or symbols to communicate meaning and create desired impact on listeners.	Students are able to attend to and respond to questions from adults and their peers	new words  Students are able to interpret a text by reading	to others' recounts of their experiences, responding appropriately.	Students are able to recount an event in the past which has been notable.

	Students are able to ask and answer basic two key word questions about an information text / specific subject.  Students are able to select and recognise/ read a small number of words or symbols linked to the vocabulary about a specific subject that they are familiar with.  Students are able to match letters and short words related to a specific subject.	right, top to bottom and page following page.  Students are able to recognise or read an increasing repertoire of familiar words or symbols related to specific subjects/ an information text.  Students are able to display interest in extracting facts from an information text.  Students are able to predict elements of a familiar information text e.g. when the reader pauses, students fill in the missing word.  Students are able to extract information from words, symbols and pictures that convey meaning within an information text	Students are able to use their phonic knowledge to read words and establish meaning when reading aloud.  With some support, students are able to use their knowledge of common exception words to read words and establish meaning when reading aloud.  Students are able to select the vocabulary needed to express what they find interesting when reading an information text.  Students are able to show awareness of how different forms of punctuation are used in reading.  Students are able to recognise and use alternative ways of pronouncing graphemes already taught.  Students are able to read decodable two-syllable and three-syllable words.	graphemes including trigraphs.  Students are able to read texts with understanding and accuracy.  Students are able to listen to and read a range of nonfiction texts.  Students are able to correctly identify how an information text is organised, e.g. use of capitals and font, paragraphs, full stops, commas, question and exclamation marks, inverted commas, key words etc  Students are able to reread a text when attempting to understand new vocabulary  Students are able to use more than one strategy, such as phonic, graphic, syntactic and contextual, in reading unfamiliar words and establishing meaning  Students are able to use knowledge of the alphabet to open a dictionary in an appropriate place.  Students are able to read simple prefixes or suffixes	Students are able to identify some key features of an information text.  Students are able to read, discuss and give their own views on a subject within an information text.  Students are able to draw inferences on what they have read/ heard.  Students are able to read texts with fluency and accuracy.  Students are able to compare books / articles on a similar theme.  Students are able to identify specific vocabulary within an information text that captures the reader's / listener's interest.  Students are able to identify the letters in a word sequentially and find the meaning of an unknown word using a dictionary.  Students are able to use knowledge of root words, suffixes and prefixes to attempt new/longer words.
Suggested teaching	Read extracts / simple	lified excerpts and answer co	omprehension questions (writ	simple prefixes or suffixes without overt sounding.	arrempt new/longer words.

# activities

## How should I teach this?

## Reading

How to infer. How to understand how language is used. How to understand how structure is used. How to compare.

- > Identify key information / key words
- > Make inferences and deductions
- Identify key language features of an information text
  - > Structure, photo, illustration, picture, hook, introduction, conclusion, heading, caption, similes & metaphors,
- Guided reading sessions using information texts
  - Discussing the text
  - Responding to the text verbally
  - > Comprehension activities, e.g. questions, storyboarding, key points & words/ phrases
  - > Activities to unpick language and structure

	<u>B2 P 5-6</u>	<u>B2 P 7-8</u>	B2 Step 1	B2 Step 2	B2 Step 3
Subject specific knowledge  What do pupils need to know?  How to plan an information text What good looks like: appropriate form, language and structure. How to edit. How to proof read.	Students know marks or symbols associated with familiar spoken words, actions, images or events relating to a specific subject / information text.  Students know how to hold a pen correctly and to follow the lines on the page to trace, overwrite or copy writing patterns.  Students know marks, letters, symbols and photographs to use in an information text.	Students know that an information text has a beginning, middle and end.  Students know to group letters and leaves spaces in their writing to form separate words.  Students know how an information text is arranged on the page, sequencing information from left to right and top to bottom and captions underneath pictures	Students know simple words and phrases to communicate meaning related to a specific subject.  Students know how full stops are used in writing.  Students know how to clearly shape and correctly orientate letters.  Students know simple adjectives  Students know what key features to include in an information text.	Students know alternative words to include detail in to enhance their writing.  Students know to read through their work to check for appropriate punctuation and vocabulary choices when drafting and writing.  Students know when to use capital letters in their writing.  Students know how to spell high frequency words that do not conform phonetically.  Students know where to place a possessive apostrophe in regular and irregular plurals.	Students know the style and layout of information texts.  Students know the terms of grammar -subordinate clause, direct speech/inverted commas, preposition, conjunction, possessive pronoun, determiner, adverbial, vowel consonant  Students know the language of punctuation.  Students know how to spell high frequency words that do not conform to normal patterns.  Students know how to write in a joined up style and whether to use a diagonal; of horizontal join to a letter.
Writing  Subject specific skills  What do pupils need to be able to do?  How to plan an information text.  What good looks like: appropriate form, language and structure.  How to edit.  How to proof read.	Students are able to produce marks or symbols associated with familiar spoken words, actions, images or events relating to a specific subject / information text.  Students are able to hold a pen correctly and to follow the lines on the page to trace, overwrite or copy shapes and straight line writing patterns.  Students are able to select and use meaningful marks, letters, symbols and photographs to produce an information text.  Students are able to copy	Students are able to produce or write their name in letters or symbols.  Students are able to identify the beginning, middle and end sections of an information text.  Students are able to place pictures in the correct order to recreate an information text.  Students are able to display knowledge of how an information text is arranged on the page, e.g. by writing or producing letter sequences going left to right and top to bottom and	Students are able to convey information and ideas in a simple information text.  Students are able to create short simple texts on paper and on screen that combine words with images and sounds.  Students are able to use simple words and phrases to communicate meaning related to an information text.  Students are able to add simple adjectives to writing to enhance detail.  Students are able to group written sentences together	Students are able to identify the "who, where, when, what, how, why" in their planning and writing.  Students are able to select appropriate presentational features to create an information text on paper and on screen.  Students are able to draw on knowledge and experience of texts in deciding and planning what and how to write.  Students are able to use planning to establish clear sections for writing	Students are able to make decisions about form and purpose, identify success criteria and use them to evaluate their writing.  Students are able to write an information text using appropriate structures.  Students are able to select and use a range of technical and descriptive vocabulary.  Students are able to use appropriate layout, format, graphics and illustrations for an information text.  Students are able to group related material into
